PUBLISHER'S NOTE

This book is not a work of fiction. Names, characters, places, and incidents are neither the products of the authors' imaginations or used fictitiously, and any resemblance to actual persons, living or dead, events, or locales is entirely intentional. That is unless what is stated is obviously so ridiculous that it must be fiction, wherein it is fiction. Thus, use your own judgement, and if something is offensive, then it is most definately fiction.

YEARBOOK
1990

ant st.
WA

In the Past
twelve years, we've
sat at over 50 desks
From the compartmentalized
first grade monstrosities to
the tiny chairs that have barely more
than an armrest, our desks have

always been just wrong
Who will claim that at one time
or another he or she has not
abused the defenseless piece
of linoleum that lies before
them? Boredom, anger,
Frustration, HAPPINESS,
Unending LOVE - All is
told on the desks at
Hingham High. While not
always suitable for
examination by one's
grandmother, these
scribbles are a
fairly accurate
representation
of the
atmosphere
here.

As such,
we have
made

Life itself is a race, marked by a start, and a finish. It is what we learn during the race, and how we apply it, that determines whether our participation has had particular value. If we learn from each success, and each failure, and improve ourselves through this process, then, at the end, we will have fulfilled our potential and preformed well. I'm not looking back, but I want to look around me now and see more of the people and the places that surround me now, I let my past go too fast, if I could slow it all down, like some captain whose ship runs aground, I can wait until the tide comes around. Summer's going fast, nights growing colder, children growing up, old friends growing older. Experience slips away. Time Stand Still.

The people of my homeworld claimed to be peaceful and loving: idealists of the First order. Till I was Born among them: a mutant, feared and shunned, Spat up- on. Laughed at, Locked away. But I mur- dered their world instead, rose up and claimed it as my own. In Human? Of course I'm inhuman. To despise Com- passion. Laugh at love, revel in Hate — To be utterly, unrepentedly inhuman is the only sane response in a universe as Brutal and senseless as this one.

"Power is all perception. It's non — use is its most powerful use. The trick is to use the least amount of power to create the maximum amount of change. Someone who has elegance can apply power selectively, like a laser, and carefully, almost unobtrusively, so that you don't feel like you're being overpowered. We all must confront the tragedies that may arise in life, but we must never lose sight of the daily joys for it is these which make up true happiness. Last season, the boy's Lacrosse team had their best season in several years, earning a 9-6 record and advancing to the first round of the state tournament. The brilliant coaching of John Todd, combined with the experience and talent of a seasoned squad of veterans, produced a seldom seen Hingham Lacrosse History. Offensively, the boys were led by Senior face-off specialist, Mike Browne and Senior Dan Schrauth's season-high scoring offensive. Defensively, the team was just as solid — Senior Tim Hughes had a fantastic season in the net. Next season, the Harbormen led by Captains Mike Browne, Dan Schrauth and Tim Hughes should have a promising season. Many young prospects and several veterans should make the team a strong contender for the states' again.

J.V.

Hughes makes the save, but can't pull off the split. The judges give him a 6.8.

The Girls' Lacrosse team led by Coach Williams was promoted to Division I last season, resulting in a very tough competition against many strong teams. Although our record may not show it, the team played every game seriously with effort and confidence. The team's spirit and enthusiasm made it an enjoyable and fun season for everyone! This year we will be looking forward to the leadership of Captains Kate Carty, Ann Cortese and Missy Keohan to bring all of the Seniors together and produce a winning season and possibly a tournament birth!

The 1990 Hingham High School baseball team completed a fine season with an 8-10 record. After a slow start, the team sprang into an incredible streak, winning five in a row. Also, the team had one of its finest moments of the season when they beat Bridgewater-Raynam, a defeat that hasn't occurred in the last twelve attempts. We hope that this Spring their success will continue to be as glorious as the past year.

Girl's varsity tennis dominated the league under coach Jan Bickford. The team cooperation and individual perseverance led the team record to a 14-0 record. Second doubles team Karen Hatfield and Liz Blampied dropped only one match in league play. Other varsity Seniors include double players Julie Holcombe and Shara Beztercy. Additional team excellence was distributed to the team by Juniors Amy Rowe, Abby Godfrey, Holly Sarni, and Courtney Jones.

Despite the few wins earned in the 1990 season, this year's softball team looks to be strong and promising. The team hopes to be very competitive in the new league this upcoming season. As always the returning players, as well as new additions, will give their all while keeping a good team spirit. This year's team will be lead by senior tri-captains Wendy- Lynne Herman (3rd/SS), Melanie Gay (SS/3rd) and Chrissy Leahy (LF/CF). Other returning seniors include Diane Needham (OF), Jenn Sanford (P), Chrissy Hadyia (C/OF) and Patty Gilbert (C). Great contributions will be given by returning underclassmen as well. The softball team wants to extend a "special thanks to Coach Mortimer and Dave Hickey for helping us be the best we can . . . We are looking forward to a great season and a championship title!

Hingham High's Spring track team was led by co-captains John Thorpe and Marc Roper. Thorpe dominated the high jump competition and was a contender for the state championship. Roper lead a talented group of distance runners including senior Dan Stebbins. Mark Goldberg, the team's other senior was one of the league's leading sprinters. The team competed successfully in the Atlantic Coast League and sent many individuals onto the state meet. Despite a few injuries, Hingham competed better than anticipated in this tough new league.

The Hingham High Girl's soccer team, led by tri-captains Karin McCann, Missy Keohan, and Cory Mundhank had a good season despite our record. There were also strong contributions made by the senior teammates Sue Demaggio, Michelle Stuart, Kate Staunton, and Kristen Conway. The supportive coach, Mrs. Williams, provided both emotional and physical strength to the team. The success of this years team was attributed to hard work during both practices and games as well as enthusiasm and good spirit by both Hingham students and parents. The girl's willingness to help each other out and to work together provided a positive atmosphere and allowed each member to feel that they were an important contribution to the team's success.

Moving into the newly formed Atlantic Coast League made the 1990 Football season exciting and challenging. Hingham had the chance to face many opponents, whom they had not played in years. Lead by head coach Fred Jewett and captains, Matt Carnes, Rob Kiesel and Sean Hayes the team opened up against Abington with a 16-7 win. The next win for the Harbormen would come against Dennis Yarmouth, where Hingham's offense exploded for 35 points. The team's final record encompassed 2 wins, 6 losses and 1 tie. The football team stayed relatively injury free. Strong play was exhibited from all the Seniors along with many of the underclassmen. The team worked hard all year, making a season to remember.

The Hingham High Field Hockey team has succeeded in overrunning many people's expectations. With the change to the much more competitive Atlantic Coast League, the team has faced demanding competition against strong teams such as Dennis Yarmouth and Sandwich. Hingham's defeat of the eventual league champion Sandwich, was perhaps the high point followed by a solid second place standing in the ACL.

The team was led by co-captains Meg Duggan and Jenn Davies and accelerated by seniors; Ann Cortese, Kate Carty, Catherine

Ferretti, Jen Kearny, Jen McGeogan, Patty Gilbert, Jen Bell, Lauren Welch, and Susanah Carr. The dedication, enthusiasm and hard work of the seniors and the several juniors on the team was the key to success.

The seniors of the 1990 Field Hockey team would like to wish the best of luck to next year's team and also thank Ms. Gordon for her strong support: "Through the ups and downs of the season you have shown us the true meaning of dedication and hard work. A team could not ask for a better coach!!"

With no returning starters and only four players with varsity experience, the team was looking for an improvement on last years 2-18 record. They did more than improve, posting big victories against tough league opponents. The Harbormen relied on each players different talents combined to help the team win. Each group of five players on the court worked above their ability to beat Randolph. A great defensive effort lead to victory against Duxbury and a fifty-foot bomb with one second left on the clock grabbed a win against Marshfield. This years team turned the doubters into believers and made the believers proud. A statement made by Coach Clinton summed up the season; "This team is special. We're winning the close games as well as the ones we weren't supposed to win. That's the difference between this team and Hingham basketball teams from the recent past." Our five seniors are leaving us with memories of a great year. Captain Matt Carnes producing a defensive masterpiece and Captain Mark Cotsonas with a baseline drive, John Thorp with his incredible dunk, Jon Carpenter with free throws to seal a victory and Jon Watson stepping back to hit a three pointer. The 1990-1991 Girls' Varsity Basketball Team, after entering a tougher, new league, showed improvement, despite being plagued with injuries. The team featured an intense, pressure defense along with a balanced offense. The team's unity and enthusiasm provided a fun season for everyone.

Although the team's captain, Missy Keohan, sat out the season due to a knee injury, seniors; Patty Gilbert, Wendy Herman, Jen McGeoghan, Diane Needham and Kim White led the team both on and off the court through their hard work and motivation. Other varsity players that hold much promise for next year are juniors; Colby Burrell, Kerry Cannon, Cristin Keohan, Jen McCarthy, Allison Repucci and Lori Thorne. Also sophomores, Kim Kelly and Jessica Locke and a very successful Junior Varsity team insure a growing program.

This year's Indoor Track team proved to be tough competitors in their return to the Tri-County league after a five year lapse. This talented team competed weekly at Boston University's indoor facility, and was led by Tri-Captains Marc Roper, Mark Goldberg, and Rob Keisel. Fourth in the league in the mile, Roper led the distance team to many victories. Goldberg proved to be one of the top sprinters in the league, improving his times significantly in the 300 and 50. Keisel, with his talent in the 300, high jump, and shot put, help lead the team to the league meet victory. Other senior talent, such as the Class B high jump victor, Johannes Wikstrom, and spirited Mike Farina in the shot and relay, helped keep this team consistently strong. With the coaching of Steve Herrmann, Hingham proved to be a force against the tough competition.

The wrestling team this year has proven that hard work and dedication pays off in the end. In the beginning of the season, teams including Whitman-Hanson and Randolph delivered crushing defeats and left the outlook for the season poor. After seeing the kind of competition they had, Hingham's practices became harder and more intense so they could keep up with other teams. Keeping up was not the easiest of tasks, considering the inexperience of this year's team. With only four returning seniors, it took a lot of effort to get the team into shape. Two of these seniors, Adam Barker and Andy Whalen, were laid up with injuries and sickness for most of the season. Barker's absence hurt the team considering he was a good prospect for this year. The two senior captains, Ryan Clinton and Mike Tutkus, both veterans of the sport, pulled

off many personal victories to bring up the team scores. Clinton and Tutkus both achieved wins in close matches against Cohasset, Bridgewater-Raynham, North Quincy and Plymouth causing Hingham to come close to victory. The final senior, Tom Bellew, is a first year wrestler who exhibited a great deal of natural talent in the sport by capturing key victories on varsity. It was up to these boys to lead the team. Though the beginning did not look too promising, Hingham gradually kept showing more and more improvement which eventually led to a giant win over a strong Cohasset team. The 39-36 upset of Cohasset along with many other close decisions document the Hingham wrestling team's desire to win as well as the effort and perseverance they gave throughout the season.

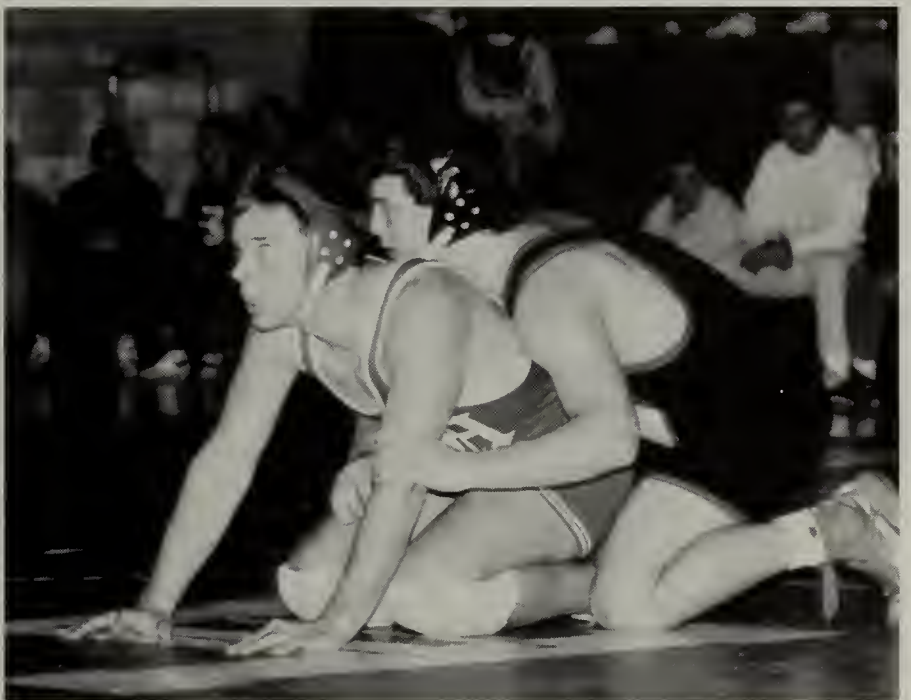

Pausing . . . Both wrestlers stare off and ponder the meaning of life.

BUT, Ryan snaps out of it soon enough

Gymnastics

Heading off the season with a new coach, Janice Murry, the Gymnastics Team is on the road to victory! Dedicated, talented and hard working are characteristics of this year's gymnasts. Teammates Alyson Tesler, Danielle Delmonico and Jennifer Hussey alternate as all-arounds, but the meets can't be won without the strong scores from the rest of the competitors and the support we receive from our loyal fans. The team is led by Captains Sarah Maynard and Diana Paulik as well as the rest of the Seniors: Allison Bonnyman, Shannon Mortland and Danielle Myatt. However, the future success of the team is guaranteed by the talent and potential of the underclassmen.

Amnesty International is an international human rights organization. We write letters to governments all over the world urging the release of all prisoners of conscience, fair and prompt trials for all political prisons and an end to torture and executions.

We hold weekly urgent action meetings to write for cases requiring immediate action. At monthly meetings we write on behalf of a diversity of prisoners of conscience: from an El Salvadoran soldier arrested for helping a survivor of execution escape to Burmese Students imprisoned for the peaceful expression of their beliefs.

On Student Human Rights Day, we marched and rallied in support of Peruvian students. We attended and helped organize the New England Student conference this past fall. For International Human Rights Day in December, we helped organize and participate in a very successful write and then heard John Healey speak. Members attended the Northeast Regional Annual Conference in March. We look forward to many celebrations in June to mark Amnesty's 30th anniversary.

SPANISH CLUB

All things considered, the Spanish Club has been very successful this year. With the loss of last year's teacher adviser, the club was in need of a teacher or two to make it work. We would like to thank these two new advisors, Mr. Mulry and Mrs. Rosenberg who have thoughtfully dedicated a lot of time to the continuation of the club. The officers for this year were, Bridget Flynn (pres.), Matthew Clark (V-Pres), Robert Hunt (treasurer), and Melanie Hewitt (secretary). We would like to wish the officers and members of the club in the future a lot of luck and success in all that they do!

"A Night Out" began this year with a trip to Andrew Lloyd Webber's "Jesus Christ Superstar." The rock opera was enjoyed by all who saw. Many were touched by the intensity of the music and dance as well as the creativity of the staging. On a lighter note, the club went to "Shear Madness" in November and was left rolling in the aisles. The combination of improv and audience participation in the play made it a huge success among "A Night Out" members. After a short vacation in December and January, the club will continue to sample from the best plays, musicals, Omni-shows and sporting events in Boston. The annual trip to Fenway Park is being planned for the spring. As usual the club is planning on another 'grandslam' this year.

Debate Club

Jeffrey Colket — President and Chief Litigator (Sr.)
Joshua Marcus — Master Spiritual Healer and Psychological Warrior (Sr.)
Jamey Tesler — Political Policy Expert and Military Strategist (Sr.)
Chuck Anderson — Head Analyst for *Romeo and Juliet* love scene (Jr.)
Josh Friedman — Director of Drama and Creative Storytelling (Jr.)
Greg Hussey — Mascot in charge of Team Spirit (Jr.)
Peter Maguire — Professional Cynic and Master of Verbal Warfare (So.)
Amy Smith — Connoisseur of Unknown Literary Terms (Fr.)

The debate club is a forum for students to express and defend their ideas through verbal argument, literary interpretation, knowledge of current events, and dramatic performance. With the sly con artist tactics passed on to us by our mentor Mr. Haviland, we, the future lawyers of America, never fail to live up to the high standards of proper debate strategy. The defense of theoretical beliefs we disagree with prepares us to acquit defendants we know are guilty, while the performance of famous dramatic excerpts from Shakespearean masterpieces will enable us to influence juries with unethical, falsely emotional courtroom antics. Over the past year, members of the debate club, students who most embody this country's legal system, have developed the skills necessary to swindle unsuspecting good natured folk out of pocket change and other small valuables. Our experience on Hingham's debate team has been very profitable to say the least. In closing, we thank you for your support. Please send any charitable, tax deductible donations you may have to our Swiss bank account #7GS-42 in Geneva and wish us luck in our future careers on LA Law.

AFS Club

The AFS Club is one of Hingham High School's largest and most active clubs. Our members are encouraged to learn about different cultures through contact with our foreign students and by taking the chance to live abroad.

During the year, we conduct many activities, including a ski trip, many parties, dinners, barbecues, and the Dance-a-thon, which raises money for charity. In the early spring, we sponsor the Short Term Exchange, the high point of the year. We travel to a different part of the country to stay with another AFS Club for a week. Soon after, they will come to stay with our AFSers for a week. This year we travelled to Lenoir, NC.

We had a lot of fun this year. Much of our success is due to Ms. Gillard, our wonderful advisor, and Ms. Perleman, who helped us while Ms. G was in Honduras. The officer board, which includes Amy Rancourt as President, Josh Friedman as VP, Kristen Pini as Treasurer, Amy Rowe and Emily White as Secretaries, and Amy Stevens with PR, thanks all those exec board members who dedicated their time and effort to make this year one of the best. Good luck next year!

Student Council

The Student Council this year consisted of 63 students from all four grades elected by their peers to serve. Led by the impeccably organized four officers, Susannah Carr, Dan Schrauth, Bryan Raffetto, and Patty Gilbert, each member is assigned to one of four committees that meet once a week, and everyone meets together once a month. They are a liason between students and the faculty, and organize school wide activities.

They started the year off by selling postcards to help a terminally ill boy get into the *Guinness Book of Worlds Records*, and organizing the Homecoming and Thanksgiving Pep Rallies and Spirit Week. A highlight was painting the glass hallway for the annual Thanksgiving Football Game. They continued sponsoring their foster child, Harry from Haiti, and organized Hingham High's first "Fast for World Hunger" Day with Amnesty International.

In January they bought an acre of Rain Forest in HHS's name and sent an awesome care package to Mr. Caldwell on active duty in Spain. They didn't forget the faculty at home either, giving the teachers candy bars and Mr. McLeod lunch on Principal's Day.

The Student Council kept going throughout the year. In February they gave away yellow ribbons to remember the soldiers in the Persian Gulf and helped everyone celebrate Valentine's Day. Who started the fundraising trend of selling donuts before school? Student Council.

All in all, considering the class time you get to miss and the free donuts at meetings, Student Council isn't a bad deal.

CLASS OF 1991

Class Officers

Treas. Tim Webber, Sec. Diana Paulik, Pres. Jane Samargedlis, VP Mark Goldberg

Class Reps.

S. BESZTERCZEY
L. BLAMPID, A. CARPENTER, S. CARR, K. CARTY, M. COTSONAS, J. DAVIES, M. DUGGAN, P. GILBERT, M. GOLDBERG, L. IORIO, D. PAULIK, B. RAFFETTO, M. REDDISH, J. SAMARGEDLIS, C. SAVINI, D. SCHRAUTH, T. WEBER, L. WELCH.

During the past three years, the class of 1991, has had a variety of class officers. This class was able to accomplish many more activities than other classes in the past years due to the motivation and willingness to help out and try anything new. Throughout the three years, the advisors Mr. Holley and Mr. Worden have helped the class officers achieve anything and do it with prestige. During our sophomore year, the four officers Dan, Laura, Tim, and Jane were able to raise over seven hundred dollars through candy sales, carnation sales and the concession stand at the football games. The following year was quite a tough one for Jen, Daina, Tim, and Jane. This was a very important year where the must fundraisers were very necessary. They were able to raise over 2,000 dollars by just having candy sales, carnation sales, bake sales and the Junior Prom. Now the last year is over and a mixture of new and old were in office. Diana, Tim, Mark, and Jane helped the Senior Class have a spectacular year. When the year started, most of the class went on a cruise on the Spirit of Boston. They have also sponsored the Snowball dance and many candy sales and raised money at the concession stand. Class of 1991 . . . what a great class!!!

Class of 1992

Class Officers

Pres. S. Vanderweil, VP T. Sullivan, Sec. H. Singleton, Treas. J. DeAgazio

The 1990-1991 Junior Class led by President Sarah Vanderweil, Vice President Tanya Sullivan, Secretary Heidi Singleton and Treasurer Julie DeAgazio hoped to make this year the best. We started off the year with successful fundraising and increased our class spirit with a great wall during spirit week as the year progressed. We continued fundraising and planned for the Junior Prom with high expectation. With class spirit on the rise, we hope to meet the same success . . . if not even more next year!

National Honors Society

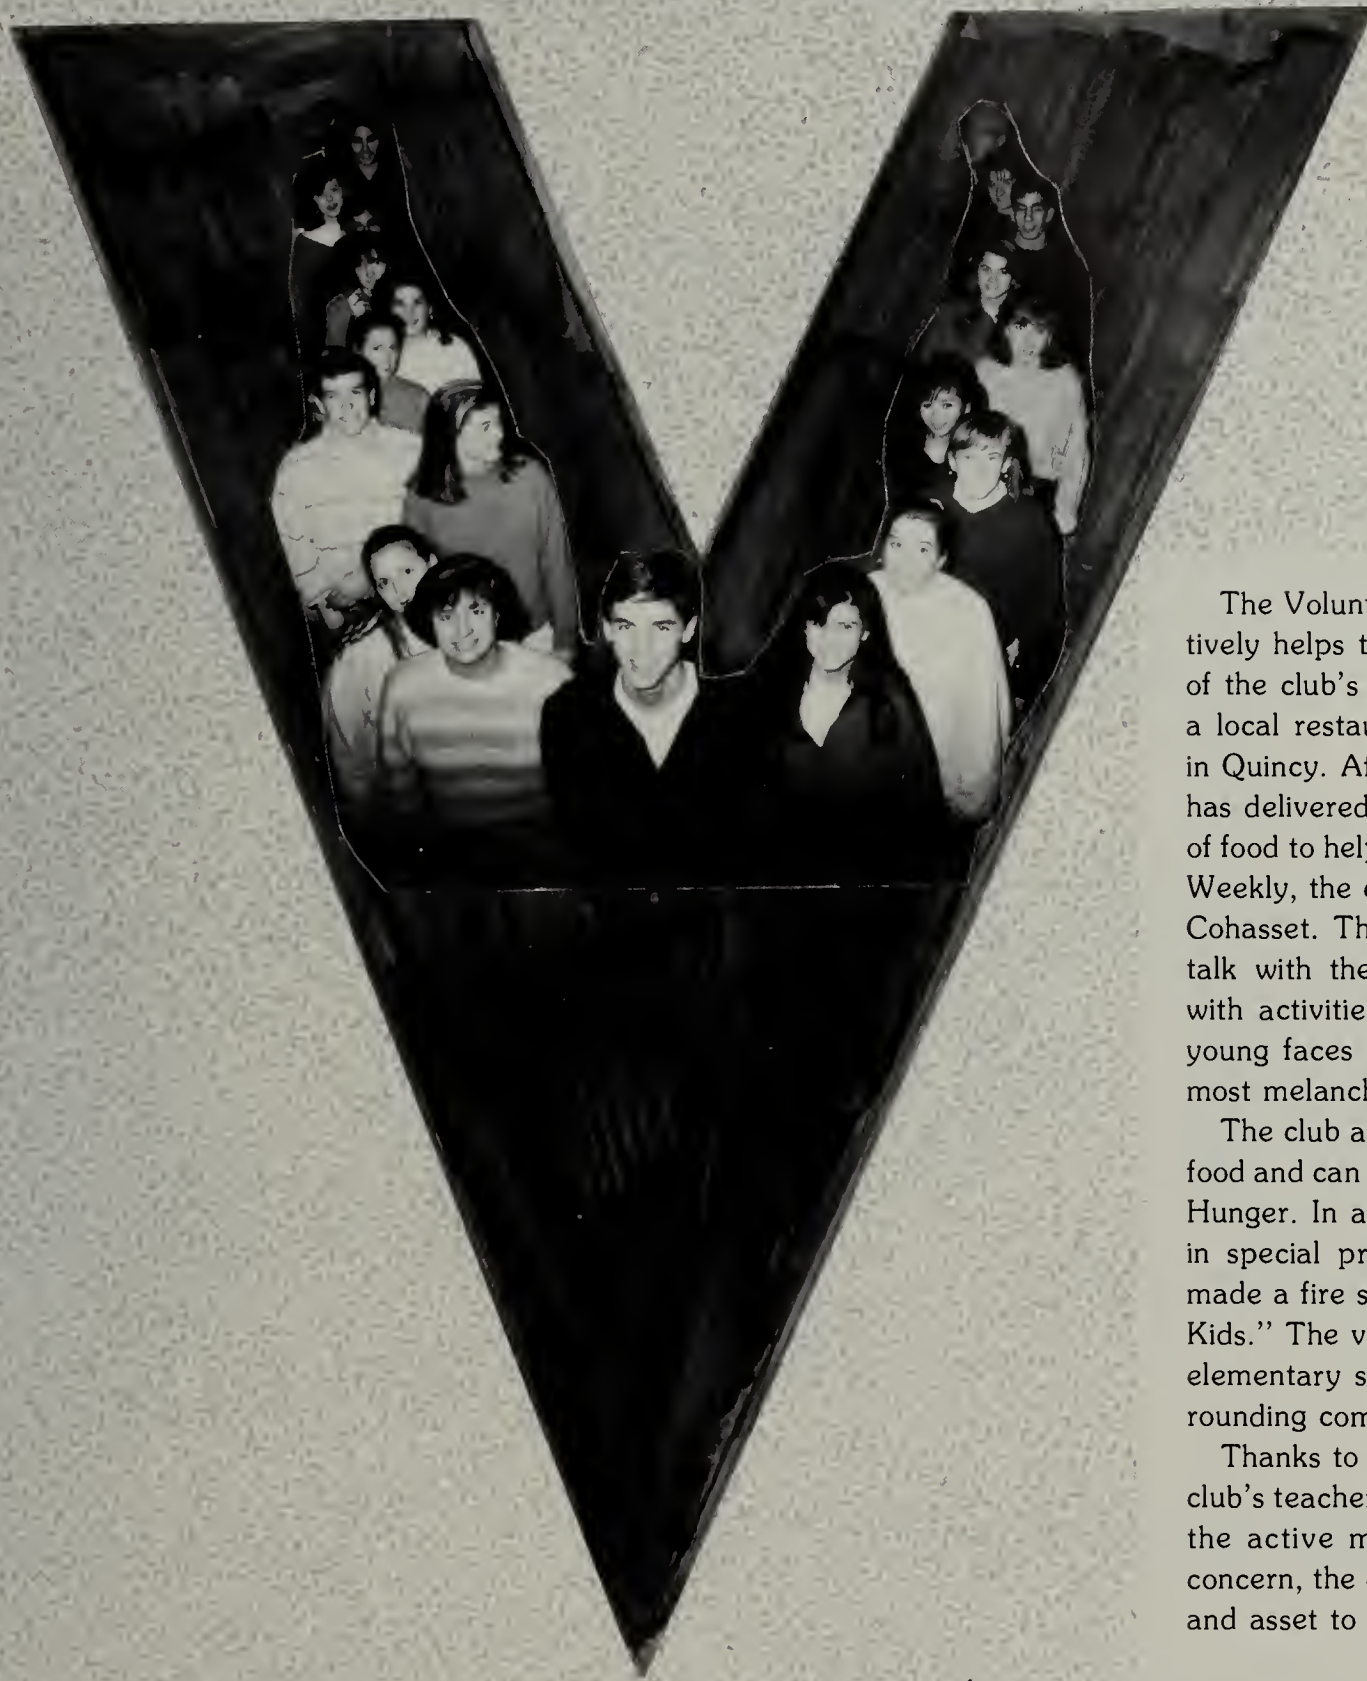

Cool nerds unite! of Hingham High's top students and leaders joined together in the past year in the National Honor Society. Selected in their junior or senior years, the members were inducted by candlelight at the legendary Plymouth River "Cafetorium" in the fall. From that point on, they met clandestinely once or twice a month to, between sips of a high energy beverage, organize community service projects. In December they spent an evening at the Hingham Mutual Fire Insurance Company phonelines making calls for the National Heart Association's telethon. (The rumors that the collected money was invested in the plastic pocket protector industry are totally unfounded.)

In January, they pitted Hingham High Students against the Connecticut Spokebenders in a grueling wheelchair basketball game. The skid marks are still evident on the gym floor.

In an effort to keep their true natures hidden, members were relatively calm serving refreshments at Humanities Night in the spring. However, the massive think tank of National Honor Society has more power than anyone, including their advisor, Mr. Tierney, realizes. Together they have unlimited potential and are merely waiting for the right moment to reveal themselves to an unsuspecting world.

The Volunteer Club

The Volunteer Club is a group that actively helps the community. Daily, some of the club's members deliver food from a local restaurant to a homeless shelter in Quincy. After just two years, the club has delivered thousands of dollars worth of food to help feed less fortunate people. Weekly, the club visits a nursing home in Cohasset. The members play bingo and talk with the residents, providing them with activities to keep them active and young faces to bring smiles to even the most melancholy people.

The club also participates in an annual food and can drive and Boston's Walk For Hunger. In addition, the volunteers help in special projects. Last year, the club made a fire safety video entitled "Safety Kids." The video has been distributed to elementary schools in Hingham and surrounding communities.

Thanks to the strong dedication of the club's teacher advisor, Mrs. Flaherty, and the active members' commitment and concern, the club has been a true success and asset to the community.

Jazz Band

Jazz Band in 91' is back and better than ever. The group is comprised of many returning players, and 2nd year conductor, Mr. McLentic is back as well. The veterans include Doug "Groovin" Colclough, Jason "White boy with soul" Brandenburg, Dave "I would" Edson, Bill "Check out the boxers" Ramsey, Will "I'm not really in band" Bergeren, Patty "Solo sister of Soul" Gilbert, and Alex "Alek" Duff. New players filling new spots are Jon Craine, Tom Buba, Caroline "That girl can blow" David, Joe "Yes, I'm his brother" Colclough, Mark "Jason wannabe" Osler, Mark Sullivan, and funking out in the rhythm section is: Dave "I've never done jazz" Cham, Matt "Lard Master" Teague, and Bill "Would you please" Spirito. The Jazz Band has come together quickly and plays a variety of groovy tunes. They look to take Gold Medals at the Southwestern District Jazz Festival, and at the Northeastern Music Festival in Williamsburg, VA. Both competitions will take place this spring, so drop by for some great tunes.

two of its members were given All- State recommendations, Patty Gilbert (senior) and Peter Cappers (sophomore).

The Hingham High School Chorus, under the direction of Dr. Paul Cappers, had a very successful and rewarding year. They worked all fall to prepare one of Handel's major works, *Judas Maccabaeus* which they performed in December. The senior soloists were Sara Beszterczey, Rebecca Cappers, and Patty Gilbert. The senior accompanists were Susannah Carr and Lynn Haddad. The chorus also received a rare chance this year to participate in a foreign exchange with an Italian chorus from Trento, Italy. The chorus began the beginning of the year planning fundraisers and meetings to prepare for the Italian students to come to Hingham in March and for the Hingham students to travel to Italy during April vacation. The trip was ideal for it offered the chorus the chance to experience the home life of a different culture, to sight see in Venice, and above all, to sing. Next year the chorus will miss this year's talented seniors: Sara Beszterczey, Rebecca Cappers, Susannah Carr, Lynnette Conditto, Dave Edson, Patty Gilbert, Lynn Haddad, Mike Kilborn, Shannon Mortland, and Jen Young.

The Choral Spectrum is a select group of Sixteen Singers chosen by audition. Even though they are primarily a madrigal group, the group performs a variety of music at school concerts and at their own concert in the spring. The group was featured at the Tri-County Chorus Festival in January and

The high school orchestra is directed by Mrs. Jane Hallet. She has been doing a wonderful job keeping the spirits and the group together. This past year the orchestra, chorus and band had three successful fundraisers to raise money for our trip to Williamsburg, VA. During April 25-28 with the Band for competition, the first fund raiser which was the fruit sale took place in December. We had tons of fun and raised loads of money. The second fund raiser, the raffle in November (made up by Mrs. Maloney and her daughter Meg, a member of the orchestra) was also very successful. The third fund raiser was the star-share which took place January 15-17 and 29-31. Also, on January 5th a Junior and Senior District audition took place, where Jr. District Abby Klima and Sr. District Amy Marie captured spots . . . CONGRATS to both! On January 19, Semsba took place (another audition) in Randolph. The people who made it were Jennifer Young, Alison Pereto, Amy Poindexter, Josie Mielsen, Abby Klima, Kim Linscott, Jodi-Lynn Solomon, Alison McCabe and Loren McCallister. Congratulations to all. Our all town concert was held in the High School Cafeteria and took place on January 31, 1991 at 7:30 p.m. It was a BIG TURNOUT! Grades three and up participated in it. All schools ended with the song, "somewhere out there" from The American Tale.

The Class Will of 1991

The following members of the graduating class of 1991 hereby leave these items to the persons indicated.

Laura Iorio: pens to the whole senior class; to MM Flaherty — a singing voice; to anybody — knowing where I should be and what I should do.

Ryan O'Connell: To the underclassmen I leave you this little bit of advice: move.

Destiny O'Brien: To the Sugar Hill Gang — A new set of Heinous Anus' to hang out with.

Heather Madigan: Siobhan and Allsun — a wave and many laughs.

Pam Martin: To Mr. Worden, I give you someone who can do geometry.

Jeff Colket: To Tesler — a cheaper lemon; To Kidston — scissors.

Lan Din Ngo: To my boys — a cure for white man's disease. To my teachers — I'm leaving . . . what more do you want?
To all who follow — the desire and ability to succeed.
